

BBVCA sponsors the “Community Contractor” program in association with the lighthouse program.

Contractors will have certificate and sticker displaying their participation in the program. (If they are interested in participating)

Premise of the program is contractors agree to:

Park in a way <on jobs> that is courteous to the neighbors and traffic.

Keep job radios at a low level that does not disturb neighborhood.

In public refrain from road rage, the “finger” and swearing when around children/public.

Keep construction litter and debris picked up and in receptacles.

Be a good example to our children and our community.
